Ergonomic handle for an easy transport

- ✓ Prefinished parquet sanding
- ✓ Intermediate sanding of wood
- ✓ Wood flattening and sanding
- ✓ Wood brushing and antiquing
- ✓ Removal of residues such as glues and varnishes
- ✓ Levelling of concrete screeds
- ✓ Generic floor preparation jobs

New Planetary K4: designed exclusively for the Bella single brush, allows for sanding, grinding and polishing of all stones, concrete and wooden surfaces. It is easy to install, thanks to its quick attach system the operation only takes few seconds. Its "not visible" gears are protected from dirt, sludge and dust guarantee optimum functionality and durability. The 4 rotating heads (140mm) allow to perform even the most demanding sanding jobs with exceptional results in terms of planarity and finish. The outlet at the centre of the planetary K4 reduces the use of water, improves the performance of diamond disks granting working homogeneity. Easy to use, removes the risk of marks on wooden floors and provides a perfectly flat and smooth surface, smooths up to bare wood and flat all unevenness. Smooths along walls allowing to save time and resources. It 'easy to handle even in tight spaces and corners.
